

Standing Committees (Appointed Positions)

Nominating Committee: Comprised of the members of the Executive Board, this committee will accept nominations from members in good standing throughout the year. The Nominating Committee will have prepared a slate of at least one name for each of the elected offices to the General Membership at the annual conference. Nominations may also be made from the floor at the General Membership meeting.

Nominating Committee Chairman-Job Description by Echo Roy (with members of the Executive Board), 5/02

I didn't know I held this position. If it's where I select my officers and committee members for the

coming year, it takes a few phone calls, a few e-mails, a few hints from other officers, and we vote on my list at the conference. It just takes a few hours a year.
